2. Jackpot Prize Advertising: Prior to each Drawing, the Party Lottery Directors shall determine the annuitized Jackpot Prize amount to be advertised.
3. Minimum Jackpot Prize: The minimum starting annuitized Jackpot Prize amount and any minimum increases on each successive Jackpot Prize in the same roll cycle will be determined by a majority vote of the Party Lottery Directors.
4. Jackpot Prize Wins: If, in any Drawing, there are no Winning Plays that qualify for the Jackpot Prize category, the portion of the Prize Fund allocated to the Jackpot Prize shall remain in the Jackpot Prize Pool and be added to the amount allocated to the Jackpot Prize category in the next consecutive Drawing.

If the annuitized Jackpot Prize divided by the number of Winning Plays is equal to or greater than one (1) million dollars, each Jackpot Prizewinner will be paid in thirty (30) graduated payments unless the Prizewinner selects the Cash Option method of payment.

If the annuitized Jackpot Prize divided by the number of Winning Plays is less than one (1) million dollars each Jackpot Prizewinner shall be paid an amount divided equally by the number of Jackpot Prizewinners. Each such Jackpot Prizewinner will be paid in a single cash payment. If the Cash Option is selected, no cash payment will be processed until the Claimant makes an Election by submitting a signed, notarized form irrevocably selecting the Cash Option method of payment.

If the Claimant does not make an Election of the Cash Option by the close of business on the sixtieth (60th) day following the date on which he/she first became Entitled to the Prize, the Claimant shall be paid the Jackpot Prize under the Annual Payout Option.

If multiple Claimants, acting as a group, claim a Jackpot Prize, the Election must be unanimous. If such multiple Claimants are unable to unanimously make an Election, the Prize shall be paid under the Annual Payout Option; however, the smallest annual pre-tax payment for each Claimant will not be less than five thousand one dollars (\$5,001). If there are multiple Claimants acting as a group and the smallest annual pre-tax payment, or the smallest Cash Option payment, for an individual Claimant is less than five thousand one dollars (\$5,001), the multiple Claimants must name a single recipient to whom the Virginia Lottery will issue payment.

- a. Annual Payout Option: The Prize shall be paid in thirty (30) consecutive graduated annual installments. The initial payment shall be paid upon completion of irrevocable Election within the prescribed time period to receive the internal validation procedures and after the purchase of the securities to secure the annual payment stream, which will occur within five (5) business days of the completion of the irrevocable Election. The subsequent twenty-nine (29) payments shall escalate by a factor of five (5) percent annually, and be paid annually to coincide with the month of the federal auction date at which the purchased bonds mature. All such payments shall be made within seven (7) days after the actual maturity date.
- b. Cash Option: The Prize shall be paid in an initial cash payment upon completion of internal validation procedures and the Prizewinner's notarized, irrevocable Election within the prescribed time period to receive the Jackpot Prize under the Cash Option method of payment. The Cash Option amount offered will be the Cash Equivalent/Grand Jackpot Prize as established under the MEGA MILLIONS multi-state official game rules.

The Prizewinner understands and agrees that he/she may not receive a payment until approximately seven (7) business days after the Election form is signed.

5. Other Prize Wins: Every Prize of two dollars (\$2.00) through five million dollars (\$5,000,000) shall be paid in one (1) payment.
6. Liability Cap: Should total prize liability for all Party Lotteries, except California which is prohibited from paying fixed prizes, exceed three hundred (300) percent of sales for all Party Lotteries, except California, for the Drawing OR fifty (50) million dollars plus fifty (50) percent of sales for all Party Lotteries, except California, for that Drawing (whichever is lower) (hereinafter collectively referred to as the "Liability Cap"), prize amounts in Prize Levels 2 through 9 may become Pari-Mutuel. However, in no event shall the Pari-Mutuel Prize be greater than the stated fixed Prize for that level. The amount to be used for the allocation of such Pari-Mutuel Prizes (hereinafter referred to as the Pari-Mutuel Prize Pool) shall be the Liability Cap less the amount paid for the Jackpot Prize and any excluded fixed prize levels, typically prize levels two (2) through nine (9). The Pari-Mutuel Prize Pool shall be allocated to prize levels two (2) through three (3) on a Pari-Mutuel basis in accordance with the formula in the Mega Millions Finance and Operations Procedures. In addition, fixed Prize Levels may be adjusted based on the provisions included in the MEGA MILLIONS multi-state official game rules and associated agreements.

7. For purposes of Prize calculation with respect to any Pari-Mutuel Prize other than the Jackpot Prize, the calculation shall be rounded down so that Prizes will be paid in multiples of one dollar (\$1.00).
8. In a single Drawing, a Claimant may win in only one (1) Prize category per single Play and shall be entitled only to the highest Prize for that Winning Play.
9. Withholding from Prizes: State and federal withholding taxes, and any debts subject to the Virginia Setoff Debt Collection Act, shall be withheld from Mega Millions Prizes by the Virginia Lottery in such amounts as may be required by law.

I. DRAWINGS:

The Party Lotteries may digitally stream or televise, either live or delayed, the process of selecting the Winning Numbers, and the Virginia Lottery will report the results to selected news outlets to inform the public of the Winning Numbers. In the event these methods of informing the public of the results are prevented for any reason, the Lottery will use alternate means to inform the public at the earliest reasonable opportunity.
3. All Winning Numbers, even though announced, are subject to validation by the Virginia Lottery, including, if necessary, review by the Virginia Lottery Director, whose decision shall be final. The Virginia Lottery shall not be liable for media misprints or incorrectly announced or scrolled Winning Numbers.
4. "Megaplier" Draws: A separate random Megaplier drawing will be conducted immediately before the Mega Millions drawing and the results will be announced during each of the regular Mega Millions draw shows. A single Megaplier number of two (2), three (3), four (4), or five (5) shall be drawn. Refer to **Section H** ("Prize Structure").

J. TICKET OWNERSHIP:

1. A Ticket is a bearer instrument. When paying any Prize claim **in excess of \$600**, the Lottery shall report the winnings or withhold taxes pursuant to rules established by the Internal Revenue Service and Virginia Department of Taxation and shall file the appropriate income reporting form(s) with the Internal Revenue Service and the Virginia Department of Taxation.
2. When paying a cash Prize claim in excess of **\$100** at a Lottery office or via a Player's Account or MobilePlay, the Lottery shall withhold any monies due under the Commonwealth's Set-Off Debt Collection Act if the agency has registered such debt with the Virginia Department of Taxation and timely notice of the debt has been furnished by the Virginia Department of Taxation to the Virginia Lottery.
3. One Prize: Subject to the validation requirements contained herein, Players are eligible to receive only one (1) (the highest) applicable Prize for each winning Game Play.
4. No right of any Person to a Prize shall be assignable except that:
 - a. the Lottery may pay any Prize according to the terms of a deceased Prizewinner's beneficiary designation or similar form filed with the Lottery, or to the estate of a deceased Prizewinner who has not completed such a form, and
 - b. the Prize to which a Prizewinner is entitled may be paid as directed by an appropriate judicial order.
5. Each Prizewinner is legally required to include the value of the Prize, as well as any taxes paid by the Virginia Lottery on his/her behalf, in his/her taxable income for tax reporting purposes. As a result of accepting a Prize, and taking into account a Prizewinner's total taxable income for the year in which the Prize is accepted, a Prizewinner may fall into a higher tax bracket for his/her federal and state tax liabilities for the year in which the Prize is accepted.
6. Virginia Lottery law prohibits the disclosure of information about an individual Prizewinner's identity for a Prize greater than \$10 million, unless that Prizewinner consents in writing to such disclosure.
7. For Prizes up to and including \$10 million, a Prizewinner agrees to participate in a press conference and agrees to the use of his/her name and/or photo for publicity at the Lottery's Discretion. Examples of publicity include, but are not limited to, news releases, Internet, news media and signs at the Lottery Retailer locations. In addition, a Prizewinner agrees to participate in Lottery promotional efforts which may include his/her name, hometown, the amount of the Prize won, and the Game won, through so-called "social media," which may include, but will not be limited to, YouTube®, Twitter®, Facebook®, or similar efforts, without additional consent from or compensation to the Prizewinner.
8. Should circumstances beyond the Director's control arise, rendering the Director not legally authorized to pay a Prize, including, without limitation, if the Commonwealth does not authorize the expenditure to appropriate funds to be used by the Director to pay Prizes, the Prizewinner understands and agrees that payment of the Prize will be delayed until such time as the Director is again legally authorized to make payment. No liability for interest arising because of any such delay, or any delay beyond the Lottery's control, shall accrue to the benefit of the Claimant pending payment of the claim.

O. CANCELLATION POLICY: Once printed, a Mega Millions Ticket purchased from a Self-service Vending Machine **cannot be canceled**. Once an online Game purchase has been submitted a Mega Millions Play **cannot be canceled**.

1. Canceled sales in Virginia: The Director has the right to cancel sales of Tickets on holidays, days of special importance, or on days when conditions make conducting sales impractical or as determined by the Director.
2. Termination of Game: The Director may, at any time, announce a suspension or termination of a Game without advance notice and at his/her sole discretion, at which point no further Tickets will be sold and no additional Prizes shall be awarded. Neither the Lottery, the Director, nor any employee of the Lottery or member of the Lottery Board shall have any liability whatsoever for any such suspension/termination.

P. DISPUTES: The Director may refrain from paying a Prize pending final determination under any of the following circumstances:

1. if a dispute related to any Prize occurred or if it appears that a dispute may occur;
2. if there is any question regarding the identity of the claimant; or
3. if there is any question regarding the validity of any Ticket presented for payment.

No liability for interest arising because of any such delay, or any delay beyond the Virginia Lottery's control, shall accrue to the benefit of the claimant pending payment of the claim. The Lottery is neither liable for, nor has it any responsibility to resolve, disputes between or among competing claimants.

In the event of a dispute or other instance of doubt, the decision of the Director shall be final and binding. However, the Director may, solely at the Director's option, refund the purchase price of a Ticket/Play or replace an invalid, defective or otherwise erroneous Ticket with a Ticket of equivalent sale price from any current Virginia Lottery Game. Replacement of the Ticket shall be the bearer's or Claimant's sole and exclusive remedy.
