2. No officer, employee or Board member of the Lottery, or any officer or employee or board member of any vendor to the Lottery of computer-generated or scratch game goods or services working directly on a contract with the Lottery for such goods or services, or any person residing in the same household of any such board member, officer or employee, or any person under the age of eighteen (18) years, shall be eligible to participate in this Promotion. First Half FY2023 eXTRA Chances (July-December 2022) Promotion Rules – Drawing (Scratcher Entry)
June 27, 2022

All Entries submitted according to **Section G** ("Mailed Entries"), **Section H** ("Internet Entries") and **Section I** ("Mobile App Entries") **and** received during the designated Promotion Entry Periods as specified in **Section J** ("Entry Deadlines") **will be included** in the applicable weekly Prize Drawing.

A Player may enter the Promotion more than once as long as each Entry is based upon a different eligible Scratch Game and the total number of Scratch Tickets does not exceed the twenty-five (25) daily maximum.

The Lottery, at its sole discretion, reserves the right to add or remove eligible Scratchers to/from this Promotion. The Lottery also reserves the right to award Players with Entries into this Promotion as Prizes in other authorized Promotions being offered concurrently.

F. ENTRY REQUIREMENTS:

1. Each eligible Scratcher used for Entry into this Promotion must have been issued by the Lottery in an authorized manner during the Entry Period referenced in **Section J** ("Entry Deadlines").
2. A Player may submit, to *this* Promotion, a maximum of twenty-five (25) Non-winning Scratchers per day over the course of the Promotion. This requirement does not limit a Player from entering eligible Non-winning Scratchers into other Lottery Promotions being offered simultaneously.
3. Internet and Mobile App Entries will receive a number of Entries equal to the price point of their Scratcher. Example: A \$10 Scratcher would generate ten (10) Entries. Mail Entries will only receive one (1) Entry per ticket submitted regardless of the price point.
4. A Player will be eligible to win **one (1) Prize per Weekly Drawing**. Once a Prizewinner has won a Prize in a Drawing, he/she **will not be eligible** to win again until the next Drawing. Refer to **Section E** ("Promotion Entry"). Entries that are not selected as a Winner in a Prize Drawing do not carry over to subsequent Prize Drawings.
5. The Lottery will not be responsible for Non-winning Tickets submitted incorrectly or received outside of the established Entry Deadlines for the Prize Drawings as specified in **Section J** ("Entry Deadlines"). Such Ticket Entries shall be deemed invalid.
6. Only Non-winning Tickets that are submitted in the manner described in **Section G** ("Mailed Entries"), **Section H** ("Internet Entries") and **Section I** ("Mobile App Entries") of these Promotion Rules during the designated Entry Periods will be eligible for Entry in this Promotion and to win a prize. Hand-Delivered Tickets and Tickets submitted via any other methods not specified in these Promotion Rules will not be accepted as an Entry for this Promotion and will be deemed invalid.
7. Each Entry submitted for this Promotion must contain the Entrant's current and valid information in order to be eligible to win a Prize in this Promotion. The Lottery will not change or update information for an Entry that has already been submitted. This includes address and telephone number updates. The Lottery will not be responsible for data-entry errors by Entrants or for connectivity issues involving the Player's access to the Virginia Lottery's website or mobile app.

8. A Prizewinner's *Winner Notification Letter* will be mailed to the address registered with the Winner's player account at the time of Winner's Entry submission. Any Prizewinner whose *Winner Notification Letter* is returned undeliverable due to incorrect and/or incomplete address information, expired forwarding address notifications and/or delivery delays due to mail forwarding notifications, and the Prizewinner fails to notify the Lottery before the claim deadline date regarding the incorrect address, will forfeit his/her opportunity to win a Prize in this Promotion. Neither the Lottery nor its designee will be required to attempt delivery of a *Winner Notification Letter* more than once unless the Prizewinner notifies the Lottery **before the claim deadline date** regarding the incorrect address. If the Lottery is notified prior to the deadline date, the Lottery will email the required forms to the Prizewinner using the email address provided at the time of Entry submission.

Drawings will be conducted from all eligible Entries submitted via the established Entry methods and by the established Entry deadline date. The following is an overview of how the Entries will be randomly selected for this Promotion.

1. After the established Entry deadline date, but prior to the Drawing, all eligible Entries submitted for that Drawing will be accounted for and the information loaded into a randomizer program.
2. Representatives from the Lottery's Security, Information Technology Services, and Marketing departments will oversee the use of the randomizer program to select the Winning Entries for this Promotion.
3. Prizewinners will be randomly selected. The order in which the Winning Entries are drawn shall be recorded by Lottery officials. The Lottery's decision shall be final and controlling.

4. Immediately after the Prizewinners are selected, ten (10) alternate Entries also will be selected using the same randomizer program. All alternate Prizewinners will be recorded in the order in which they were selected and will be used at the Lottery's discretion should a Prizewinner be determined ineligible.
5. After the Drawing is completed, representatives of the Lottery's Security, Information Technology Services, and Marketing departments will confirm that the Entries selected in the Drawing are valid. For mailed Entries, this means the opening of the Entry envelope to verify the Entry meets all requirements stated herein.
6. In the event that a selected Entry is deemed invalid (see **Section F** "Entry Requirements"), the first alternate with a valid Entry will be selected as a Prizewinner. This process shall continue until all valid Winning Entries have been selected for the particular Drawing.

L. PRIZEWINNER PROCEDURES:

Each Prizewinner selected in association with this Promotion will be notified in writing by the Lottery via the United States Postal Service (USPS). All Prizewinners will receive a *Winner Claim Form* and an *Affidavit of Eligibility Form* that must be notarized. Any Prizewinner who fails to fully complete and return both required forms included with his/her *Winner Notification Letter* along with documentation containing his/her full Social Security number by the date noted in his/her *Winner Notification Letter* will forfeit his/her Prize.

M. PRIZEWINNER VERIFICATION:

1. Methods used by the Lottery to establish and confirm a Prizewinner's identity include, but are not limited to:
 - viewing and/or copying the Prizewinner's valid government-issued photo identification;
 - viewing and/or copying proof of taxpayer identification number (e.g. Social Security number);
 - asking identity-verifying questions in the absence of the aforementioned document proof; and/or

3. Each Prizewinner who wins a prize **greater than \$600** is legally required to include the value of his/her Prize, as well as any taxes paid by the Lottery on his/her behalf, in his/her taxable income for tax reporting purposes.
