I. PURPOSE:
The Virginia Lottery (Lottery) is seeking proposals from qualified Email Service Providers (ESP) who can offer an integrated, self-service automated Business to Customer (B2C) marketing platform to support and enhance the Lottery's email marketing program.

II. BACKGROUND:
The Lottery currently uses an in-house developed B2C email solution for outbound emails and has a relationship with a Simple Mail Transfer Protocol (SMTP) relay service for email delivery. The Lottery is looking to replace this email system with an ESP that will provide functionality to optimize its email marketing program. The current system requires on-going resources of Lottery web developers for email development and delivery. Additionally, the current system requires manual intervention to track campaign performance, segment audiences, and customize email templates.

The Lottery sends an average of 6,000,000 emails a month, and plans to increase that volume with the implementation of an ESP. The Lottery is implementing Microsoft Dynamics 365 Customer Relationship Management (CRM) as its marketing database where customer email addresses will be stored. Additionally, the Lottery utilizes Sitecore Content Management System (CMS) 9.0.1 to store creative content and is planning to leverage Sitecore's web personalization capabilities.

The Lottery has standard technologies used for application development and integrations. These are described below:

- Microsoft Windows operating systems for development and deployment.
- Active Directory identity management system. Windows domain authentication is the default authentication used by internal applications and services.
- SQL Server RDBMS for development
- Microsoft Visual Studio Team System Integrated Development Environment (IDE) and toolset used throughout the development cycle.
- **ASP.NET** with AJAX development framework.
- C#.NET programming language.
- Web services for application integrations and application data access (through application services and shared enterprise services).
- Windows Communication Foundation (WCF) with wsHttpBinding as the default service technology and binding protocol for service development.
- IIS for application and service hosting, including AJAX services.
- Microsoft Team Foundation Server (TFS) and its Source Control repository for storing project artifacts and source code.
- SQL Server Reporting Services (SSRS) for developing application reports.
- SQL Server Integration Services (SSIS) for data integrations.
- SQL Server Analysis Services (SSAS) for developing multidimensional and tabular solutions
- SharePoint for intranet portal.
• Sitecore CEP for WCMS and DMS
• Microsoft Dynamics AX as ERP

Additionally, all technical solutions will be evaluated by an Architecture Review Board and Offerors may be required to submit architectural documentation. The required level of conformity to the above standards will be dependent upon the degree of application and data integrations and customizations necessary.

Lottery, the Contractor may, at the Lottery's discretion, be placed in default and notified via Contractor Complaint Form.

3. **Ineligible for Award:**
   Once placed in default, the Contractor will be ineligible to do business with the Lottery for purchases exceeding $5,000 for a period of **three years**.

4. **Re-procurement of Goods and Services:**
   In addition to a Contractor’s ineligibility for award of programs over $5,000, the Lottery may procure the goods and/or services from other sources and hold the Contractor responsible for the price difference of the original contract amount and the amount of the new contract. The Lottery will follow competitive principles as outline herein for the re-procurement.

   The vendor will remain in default until the re-procurement costs have been paid to the Lottery. The vendor is still subject to the three-year ineligibility based on the default regardless as to when the re-procurement cost is paid.

5. **Number of Complaints:**
   a) For Term Contracts: if the Contractor has received three or more complaints within the initial contract period as documented by Contractor Complaint Forms, the Contractor may, at the Lottery’s discretion, be ineligible to submit a bid/proposal if the goods/services are re-solicited at expiration of contract. Ineligibility shall apply even though a satisfactory resolution to all complaints occurred.

   b) For a Renewal Period: if the Contractor has received three or more complaints within a renewal period as documented by Contractor Complaint Forms, the Contractor may, at the Lottery’s discretion, be ineligible to submit a bid/proposal if the goods/services are re-solicited at expiration of contract. Ineligibility shall apply even though a satisfactory resolution to all complaints occurred.

   c) For Spot Purchases: if the Contractor has received three or more complaints within a period of one year as documented by Contractor Complaint Forms, the Contractor may, at the Lottery’s discretion, be ineligible to do business with the Lottery for purchases exceeding $5,000 for a period of one year after the issuance of the third Contractor Complaint Form. Ineligibility shall apply even though a satisfactory resolution to all complaints occurred.

M. **PRIME CONTRACTOR RESPONSIBILITIES:**
   The Contractor shall be responsible for completely supervising and directing
the work under this Contract and all subcontractors that he may utilize, using his best skill and attention. Subcontractors who perform work under this Contract shall be responsible to the prime Contractor. The Contractor agrees that he is as fully responsible for the acts and omissions of his subcontractors and of persons employed by them as he is for the acts and omissions of his own employees.

N. **PRODUCT AVAILABILITY/SUBSTITUTION:**
Substitution of a product, brand or manufacturer after the award of Contract is expressly prohibited unless approved in writing by the Contact Officer. The Lottery may, at its discretion, require the Contractor to provide a substitute item of equivalent or better quality subject to the approval of the Contact Officer, for a price no greater than the Contract price, if the product for which the Contract was awarded becomes unavailable to the Contractor.

O. **PRODUCT INFORMATION:**
The Offeror shall clearly and specifically identify the product being offered and enclose complete and detailed descriptive literature, catalog cuts and specifications with the proposal to enable the Lottery to determine if the product offered meets the requirements of the solicitation. Failure to do so may cause the proposal to be considered nonresponsive.

P. **QUANTITIES:**
Quantities set forth in this solicitation are estimates only, and the Contractor shall supply at Contract prices actual quantities as ordered, regardless of whether such total quantities are more or less than those shown.

Q. **RENEGOTIATION OF CONTRACT**
The Lottery reserves the right, at any time during the Contract term or any renewals of the term, to renegotiate with the Contractor a reduction in the compensation paid to the Contractor that is less than the compensation initially agreed to by the Contractor and the Lottery at the time of Contract execution. The Lottery may initiate such negotiations whenever the Lottery determines that it is in the Lottery's best fiscal interests to do so. Notwithstanding any other provision of this Contract to the contrary, the Lottery may terminate this Contract immediately and without penalty if the Lottery is unable to renegotiate the compensation with the Contractor to an amount which the Lottery determines to be appropriate.

R. **RENEWAL OF CONTRACT:**
This Contract may be renewed by the Lottery upon written agreement of both parties for four (4) successive one year periods, under the terms of the current Contract, and at a reasonable time (approximately 90 days) prior to the expiration.

S. **SECURITY CLEARANCE – CAPITOL POLICE:**
All Contractor personnel, entering the Pocahontas Building, are required to obtain security clearance prior to their arrival at the work site. For information on the clearance process, call the Capitol Police at (804) 786-
2567. Failure to obtain the necessary security clearance will result in access to the building being denied.

T. SMALL, WOMEN- AND MINORITY-OWNED (SWAM-OWNED) BUSINESS SUBCONTRACTING AND EVIDENCE OF COMPLIANCE:

It is the goal of the Lottery that 50% of purchases are made from SWAM-owned businesses. This includes discretionary spending in prime contracts and subcontracts. Unless the Offeror is registered as a DMBE-certified small business and where it is practicable for any portion of the awarded Contract to be subcontracted to other suppliers, the Contractor is encouraged to offer such subcontracting opportunities to DMBE-certified SWAM-owned businesses. No Offeror or subcontractor shall be considered a SWAM-owned Business unless certified as such by the Department of Minority Business Enterprise (DMBE) by the due date for receipt of proposals. If SWAM-owned business subcontractors are used, the prime Contractor agrees to report the use of SWAM-owned business subcontractors by providing the purchasing office, at a minimum, the following information on a monthly basis or as directed by the Lottery: name of SWAM-owned business with the DMBE certification number, phone number, total dollar amount subcontracted, category type (small, women-owned, or minority-owned), and type of product/service provided.

| Will there be any subcontracting to SWAM Business for the performance of this contract? | ☐ Yes ☐ No |
| If so, please provide the SWAM Business Name and DMBE certification Number: |

U. SUBCONTRACTS:
No portion of the work shall be subcontracted without prior written consent of the Lottery. In the event that the Contractor desires to subcontract some part of the work specified herein, the Contractor shall furnish the Lottery the names, qualifications and experience of their proposed subcontractors. The Contractor shall, however, remain fully liable and responsible for the work to be done by its subcontractor(s) and shall assure compliance with all requirements of the Contract.

V. CONFIDENTIALITY (LOTTERY):
The Lottery agrees that neither it nor its employees, representatives, or agents shall knowingly divulge any proprietary information with respect to the operation of the software, the technology embodied therein, or any other trade secret or proprietary information related thereto, except as specifically authorized by the Contractor in writing or as required by the Freedom of Information Act or similar law. It shall be the Contractor's responsibility to fully comply with § 2.2-4342F of the Code of Virginia. All trade secrets or proprietary information must be identified in writing or other tangible form and conspicuously labeled as “proprietary” either prior to or at the time of
submission to the Lottery.

W. CONFIDENTIALITY (CONTRACTOR):
The Contractor assures that information and data obtained as to personal facts and circumstances related to patients or clients will be collected and held confidential, during and following the term of this agreement, and will not be divulged without the individual’s and the Lottery’s written consent. Any information to be disclosed, except to the Lottery, must be in summary, statistical, or other form which does not identify particular individuals. Contractors and their employees working on this project will be required to sign the Confidentiality statement in this solicitation.

X. DEMONSTRATIONS:
By submitting a proposal, the Offeror certifies that the specified equipment is in productive use and capable of demonstration in the proposed configuration. The Lottery reserves the right to require Offerors or to demonstrate the functionality of proposed equipment to its satisfaction prior to making an award decision. Such demonstration is intended to show that a vendor’s products will perform in a completely satisfactory manner and that they will meet or exceed the performance specifications contained in the solicitation. Failure by a vendor to promptly comply with a request for demonstration could result in their proposal being rejected. Failure to reject shall not relieve the vendor of its obligation to fully comply with all requirements of the Contract.

Y. OWNERSHIP OF INTELLECTUAL PROPERTY:
All copyright and patent rights to all papers, reports, forms, materials, creations, or inventions created or developed in the performance of this Contract shall become the sole property of the Lottery. On request, the Contractor shall promptly provide an acknowledgment or assignment in a tangible form satisfactory to the Lottery to evidence the Lottery’s sole ownership of specifically identified intellectual property created or developed in the performance of the Contract.

Z. PRODUCT SUBSTITUTION:
During the term of any Contract resulting from this solicitation, the vendor is not authorized to substitute any item for that product and/or software identified in the solicitation without the prior written consent of the contracting officer whose name appears on the front of this solicitation, or their designee.

VII. GENERAL TERMS AND CONDITIONS:
**NOTE: THE LOTTERY WILL NOT SIGN ANY OFFEROR’S DOCUMENTS, MSAS, OR ANY OTHER TYPE OF AGREEMENT(S). THE LOTTERY’S GENERAL TERMS AND CONDITIONS SHALL NOT BE NEGOTIATED.**

A. ADVERTISING:
In the event a Contract is awarded for supplies, equipment, or services resulting from this solicitation, Contractor expressly agrees that any reference
to any or all goods and services provided under resulting contract shall not be used in any product literature, advertising, media releases, professional journals, social media, or in any other way disclosed to the public in a general or directed manner, whether in response to a request for a reference or in relation to an interview, without the express consent of the Virginia Lottery Director. The Contractor may request permission from the Virginia Lottery Procurement Manager for approval to be used as a professional reference.

B. **ANTI-DISCRIMINATION:**

By submitting their proposal, Offerors certify to the Commonwealth that they will conform to the provisions of the Federal Civil Rights Act of 1964, as amended, as well as the Virginia Fair Employment Contracting Act of 1975, as amended, where applicable, the Virginians with Disabilities Act, the Americans with Disabilities Act. If the award is made to a faith-based organization, the organization shall not discriminate against any recipient of goods, services, or disbursements made pursuant to the Contract on the basis of the recipient's religion, religious belief, refusal to participate in a religious practice, or on the basis of race, age, color, gender or national origin and shall be subject to the same rules as other organizations that Contract with public bodies to account for the use of the funds provided; however, if the faith-based organization segregates public funds into separate accounts, only the accounts and programs funded with public funds shall be subject to audit by the Virginia Lottery.

In every Contract over $10,000 the provisions in 1. and 2. below apply:

During the performance of this Contract, the Contractor agrees as follows:

1. The Contractor will not discriminate against any employee or applicant for employment because of race, religion, color, sex, national origin, age, disability, or any other basis prohibited by state law relating to discrimination in employment, except where there is a bona fide occupational qualification reasonably necessary to the normal operation of the Contractor. The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this nondiscrimination clause.

2. The Contractor, in all solicitations or advertisements for employees placed by or on behalf of the Contractor, will state that such Contractor is an equal opportunity employer.

3. Notices, advertisements and solicitations placed in accordance with federal law, rule or regulation shall be deemed sufficient for the purpose of meeting these requirements.

The Contractor will include the provisions of 1. above in every subcontract or purchase order over $10,000, so that the provisions will be binding upon each subcontractor or vendor.
C. **ADDENDA:**
Any changes or supplemental instructions to this Request for Proposals shall be in the form of written addenda. Each Offeror is responsible for determining that all addenda issued have been received and shall acknowledge receipt of all addenda in the space provided within the Pricing Schedule or by returning a copy of each signed addendum. Failure to do so may result in rejection of the proposal. All addenda so issued shall become part of the IFB and any resulting Contract documents.

D. **ANNOUNCEMENT OF AWARD:**
Upon the award or the announcement of the decision to award a Contract over $50,000, as a result of this solicitation, Lottery will publicly post such notice on the DGS/DPS eVA web site (www.eva.virginia.gov).

E. **ANTITRUST:**
By entering into a Contract, the Contractor conveys, sells, assigns, and transfers to the Commonwealth of Virginia all rights, title and interest in and to all causes of action it may now have or hereafter acquire under the antitrust laws of the United States and the Commonwealth of Virginia, relating to the particular goods or services purchased or acquired by the Commonwealth of Virginia under said Contract.

F. **APPLICABLE LAWS AND COURTS:**
This solicitation and any resulting Contract shall be governed in all respects by the laws of the Commonwealth of Virginia, and any litigation with respect thereto shall be brought in the courts of the Commonwealth. The Contractor shall comply with all applicable federal, state and local laws, rules and regulations including Virginia Lottery Law § 58.1-4000 et seq. and the Virginia Lottery Purchasing Manual.

G. **ASSIGNMENT OF CONTRACT:**
A Contract shall not be assignable by the Contractor in whole or in part without the written consent of the Lottery.

H. **AVAILABILITY OF FUNDS:**
It is understood and agreed between the parties herein that the Lottery shall be bound hereunder only to the extent of the funds available or which may hereafter become available for the purpose of this agreement.

I. **PROPOSAL PRICE CURRENCY:**
Unless stated otherwise in the solicitation, Offerors shall state proposal prices in US dollars.

J. **CHANGES TO THE CONTRACT:**
Changes can be made to the Contract in any of the following ways:

1. The parties may agree in writing to modify the scope of the Contract. An increase or decrease in the price of the Contract resulting from such
modification shall be agreed to by the parties as a part of their written agreement to modify the scope of the Contract.

2. The Lottery may order changes within the general scope of the Contract at any time by written notice to the Contractor. Changes within the scope of the Contract include, but are not limited to, things such as services to be performed, the method of packing or shipment, and the place of delivery or installation. The Contractor shall comply with the notice upon receipt. The Contractor shall be compensated for any additional costs incurred as the result of such order and shall give the Lottery a credit for any savings. Said compensation shall be determined by one of the following methods:

- By mutual agreement between the parties in writing; or
- By agreeing upon a unit price or using a unit price set forth in the Contract, if the work to be done can be expressed in units, and the Contractor accounts for the number of units of work performed, subject to the Lottery's right to audit the Contractor's records and/or to determine the correct number of units independently; or
- By ordering the Contractor to proceed with the work and keep a record of all costs incurred and savings realized. A markup for overhead and profit may be allowed if provided by the Contract. The same markup shall be used for determining a decrease in price as the result of savings realized. The Contractor shall present the Lottery with all vouchers and records of expenses incurred and savings realized. The Lottery shall have the right to audit the records of the Contractor as it deems necessary to determine costs or savings. Any claim for an adjustment in price under this provision must be asserted by written notice to the Lottery within thirty (30) days from the date of receipt of the written order from the Lottery. If the parties fail to agree on an amount of adjustment, the question of an increase or decrease in the Contract price or time for performance shall be resolved in accordance with the procedures for resolving disputes provided by the Disputes Clause of this Contract or, if there is none, in accordance with the disputes provisions of the Lottery's Purchasing Manual. Neither the existence of a claim nor a dispute resolution process, litigation or any other provision of this Contract shall excuse the Contractor from promptly complying with the changes ordered by the Lottery or with the performance of the Contract generally.

K. **CLARIFICATION OF TERMS:**
If any prospective Offeror has questions about the specifications or other solicitation documents, the prospective Offeror should contact the buyer whose name appears on the face of the solicitation no later than five working days before the due date. Any revisions to the solicitation will be made only by addendum issued by the buyer.

L. **DEBARMENT STATUS:**
By submitting their proposal, Offerors certify that they are not currently
debarred by the Commonwealth of Virginia from submitting proposals on contracts for the type of goods and/or services covered by this solicitation, nor are they an agent of any person or entity that is currently so debarred.

M. **DEFAULT:**
In case of failure to deliver goods or services in accordance with the Contract terms and conditions, the Lottery, after due oral or written notice, may procure them from other sources and hold the Contractor responsible for any resulting additional purchase and administrative costs. This remedy shall be in addition to any other remedies which the Lottery may have.

N. **DRUG-FREE WORKPLACE:**
During the performance of this Contract, the Contractor agrees to (i) provide a drug-free workplace for the Contractor’s employees; (ii) post in conspicuous places, available to employees and applicants for employment, a statement notifying employees that the unlawful manufacture, sale, distribution, dispensation, possession, or use of a controlled substance or marijuana is prohibited in the Contractor’s workplace and specifying the actions that will be taken against employees for violations of such prohibition; (iii) state in all solicitations or advertisements for employees placed by or on behalf of the Contractor that the Contractor maintains a drug-free workplace; and (iv) include the provisions of the foregoing clauses in every subcontract or purchase order of over $10,000, so that the provisions will be binding upon each subcontractor or vendor.

For the purposes of this section, “drug-free workplace” means a site for the performance of work done in connection with a specific Contract awarded to a Contractor, the employees of whom are prohibited from engaging in the unlawful manufacture, sale, distribution, dispensation, possession or use of any controlled substance or marijuana during the performance of the Contract.

O. **ETHICS IN PUBLIC CONTRACTING:**
By submitting their proposal, Offerors certify that their proposal are made without collusion or fraud and that they have not offered or received any kickbacks or inducements from any other Offeror, supplier, manufacturer or subcontractor in connection with their proposal, and that they have not conferred on any public employee having official responsibility for this procurement transaction any payment, loan, subscription, advance, deposit of money, services or anything of more than nominal value, present or promised, unless consideration of substantially equal or greater value was exchanged.

P. **IMMIGRATION REFORM AND CONTROL ACT OF 1986:**
By entering into a written Contract with the Lottery, the Contractor certifies that they so not, and shall not during the performance of the Contract for goods and services in the Commonwealth, knowingly employ an unauthorized alien as defined in the federal Immigration Reform and Control Act of 1986.

Q. **INFORMATION SECURITY REVIEW:**
Should the Contractor’s obligations involve creating, collecting, or storing Lottery information which is deemed sensitive by the Virginia State Lottery Department, said Contractor shall participate in an annual information security review conducted by the Virginia Lottery Information Security Administrator to ensure that information protection policies and practices of the Contractor are sufficient for the Lottery information being created, collected and/or stored.

R. **INSURANCE:**

By signing and submitting a proposal under this solicitation, the Offeror certifies that if awarded the Contract, it will have the following insurance coverage at the time the Contract is awarded. For construction contracts, if any subcontractors are involved, the subcontractor will have workers’ compensation insurance in accordance with §§ 2.2-4332 and 65.2-800 et seq. of the *Code of Virginia*. The Offeror further certifies that the Contractor and any subcontractors will maintain this insurance coverage during the entire term of the Contract and that all insurance coverage will be provided by insurance companies authorized to sell insurance in Virginia by the Virginia State Corporation Commission.

**Minimum Insurance Coverages and Limits Required for Most Contracts:**

1. **Workers’ Compensation** - Statutory requirements and benefits. Coverage is compulsory for employers of three or more employees, to include the employer. Contractors who fail to notify the Commonwealth of increases in the number of employees that change their workers’ compensation requirements under the *Code of Virginia* during the course of the Contract shall be in noncompliance with the Contract.

2. **Employer’s Liability** - $100,000.

3. **Commercial General Liability** - $1,000,000 per occurrence. Commercial General Liability is to include bodily injury and property damage, personal injury and advertising injury, products and completed operations coverage. The Commonwealth of Virginia must be named as an additional insured and so endorsed on the policy.

4. **Automobile Liability** - $1,000,000 per occurrence. (Only used if motor vehicle is to be used in the Contract.

S. **NONDISCRIMINATION OF CONTRACTOR:**

A Offeror or Contractor shall not be discriminated against in the solicitation or award of this Contract because of race, religion, color, sex, national origin, age, disability, faith-based organizational status, any other basis prohibited by state law relating to discrimination in employment or because the Offeror employs ex-offenders unless the Lottery, department or institution has made a written determination that employing ex-offenders on the specific Contract is not in its best interest. If the award of this Contract is made to a faith-based
organization and an individual, who applies for or receives goods, services, or disbursements provided pursuant to this Contract objects to the religious character of the faith-based organization from which the individual receives or would receive the goods, services, or disbursements, the public body shall offer the individual, within a reasonable period of time after the date of his objection, access to equivalent goods, services, or disbursements from an alternative provider.

T. **PAYMENT:**

1. **To Prime Contractor:**

   a) Invoices for items ordered, delivered and accepted shall be submitted by the Contractor directly to the payment address shown on the purchase order/Contract. All invoices shall show the Lottery Contract number and/or purchase order number; social security number (for individual contractors) or the federal employer identification number (for proprietorships, partnerships, and corporations).

   b) Any payment terms requiring payment in less than 30 days will be regarded as requiring payment 30 days after invoice or delivery, whichever occurs last. This shall not affect offers of discounts for payment in less than 30 days, however.

   c) All goods or services provided under this Contract or purchase order, that are to be paid for with public funds, shall be billed by the Contractor at the Contract price, regardless of which public agency is being billed.

   d) The following shall be deemed to be the date of payment: the date of postmark in all cases where payment is made by mail, or the date of offset when offset proceedings have been instituted as authorized under the Virginia Debt Collection Act.

   e) Unreasonable Charges. Under certain emergency procurements and for most time and material purchases, final job costs cannot be accurately determined at the time orders are placed. In such cases, contractors should be put on notice that final payment in full is contingent on a determination of reasonableness with respect to all invoiced charges. Charges which appear to be unreasonable will be researched and challenged, and that portion of the invoice held in abeyance until a settlement can be reached. Upon determining that invoiced charges are not reasonable, the Lottery shall promptly notify the Contractor, in writing, as to those charges which it considers unreasonable and the basis for the determination. A Contractor may not institute legal action unless a settlement cannot be reached within 30 days of notification. The provisions of this section do
not relieve the Lottery of its prompt payment obligations with respect to those charges which are not in dispute.

2. To Subcontractors:

a) A Contractor awarded a Contract under this solicitation is hereby obligated:

i. To pay the subcontractor(s) within seven (7) days of the Contractor's receipt of payment from the Lottery for the proportionate share of the payment received for work performed by the subcontractor(s) under the Contract; or

ii. To notify the Lottery and the subcontractor(s), in writing, of the Contractor's intention to withhold payment and the reason.

b) The Contractor is obligated to pay the subcontractor(s) interest at the rate of one percent per month (unless otherwise provided under the terms of the Contract) on all amounts owed by the Contractor that remain unpaid seven (7) days following receipt of payment from the Lottery, except for amounts withheld as stated in (2) above. The date of mailing of any payment by U. S. Mail is deemed to be payment to the addressee. These provisions apply to each sub-tier Contractor performing under the primary Contract. A Contractor's obligation to pay an interest charge to a subcontractor may not be construed to be an obligation of the Lottery.

3. The Lottery encourages contractors and subcontractors to accept electronic and credit card payments.

U. PERSONNEL SECURITY CLEARANCES:

Section 58.1-4008 of the Code of Virginia (Virginia Lottery Law) requires that all Board members, officers and employees of any vendor of lottery online or instant ticket goods or services working directly on a Contract with the Virginia Lottery for such goods or services shall be subject to a criminal background search to be conducted by the chief security officer of the Virginia Lottery. The Lottery reserves the right to inspect Offeror’s physical facilities prior to award to satisfy questions regarding the Offeror’s capabilities. The Offeror is responsible to clearly and specifically identify the product being offered and to provide sufficient descriptive literature, catalog cuts and technical detail to enable the Lottery to determine if the product offered meets the requirements of the solicitation. This is required even if offering the exact brand, make or manufacturer specified. Failure to furnish adequate data for evaluation purposes may result in a lower score of Offeror’s proposal.
