2. **Default:**
   If the Contractor is non-responsive to the complaint form or does not satisfy the corrective action plan submitted in the complaint form or provides an unsatisfactory corrective plan, as determined by the Lottery, the Contractor may, at the Lottery’s discretion, be placed in default and notified via Contractor Complaint Form.

3. **Ineligible for Award:**
   Once placed in default, the Contractor will be ineligible to do business with the Lottery for purchases exceeding $5,000 for a period of **three (3) years**.

4. **Re-procurement of Goods and Services:**
   In addition to a Contractor’s ineligibility for award of programs over $5,000, the Lottery may procure the goods and/or services from other sources and hold the Contractor responsible for the price difference of the original Contract amount and the amount of the new Contract. The Lottery will follow competitive
principles as outlined herein for the re-procurement.

The vendor will remain in default until the re-procurement costs have been paid to the Lottery. The vendor is still subject to the three (3) year ineligibility based on the default regardless as to when the re-procurement cost is paid.

5. Number of Complaints:
   a) For Term Contracts: if the Contractor has received three (3) or more complaints within the initial Contract period as documented by Contractor Complaint Forms, the Contractor may, at the Lottery’s discretion, be ineligible to submit a bid/proposal if the goods/services are re-solicited at expiration of Contract. Ineligibility shall apply even though a satisfactory resolution to all complaints occurred.
   b) For a Renewal Period: if the Contractor has received three (3) or more complaints within a renewal period as documented by Contractor Complaint Forms, the Contractor may, at the Lottery’s discretion, be ineligible to submit a bid/proposal if the goods/services are re-solicited at expiration of Contract. Ineligibility shall apply even though a satisfactory resolution to all complaints occurred.
   c) For Spot Purchases: if the Contractor has received three (3) or more complaints within a period of one (1) year as documented by Contractor Complaint Forms, the Contractor may, at the Lottery’s discretion, be ineligible to do business with the Lottery for purchases exceeding $5,000 for a period of one (1) year after the issuance of the third Contractor Complaint Form. Ineligibility shall apply even though a satisfactory resolution to all complaints occurred.

O. PRIME CONTRACTOR RESPONSIBILITIES:
The Contractor shall be responsible for completely supervising and directing the work under this Contract and all subcontractors that he may utilize, using his best skill and attention. Subcontractors who perform work under this Contract shall be responsible to the prime Contractor. The Contractor agrees that he is as fully responsible for the acts and omissions of his subcontractors and of persons employed by them as he is for the acts and omissions of his own employees.

P. PRODUCT AVAILABILITY/SUBSTITUTION:
Substitution of a product, brand or manufacturer after the award of Contract is expressly prohibited unless approved in writing by the Contact Specialist. The Lottery may, at its discretion, require the Contractor to provide a substitute item of equivalent or better quality subject to the approval of the Contract Specialist, for a price no greater
than the Contract price, if the product for which the Contract was awarded becomes unavailable to the Contractor.

Q. **PRODUCT INFORMATION:**
The Bidder shall clearly and specifically identify the product being offered and enclose complete and detailed descriptive literature, catalog cuts and specifications with the bid to enable the Lottery to determine if the product offered meets the requirements of the solicitation. Failure to do so may cause the bid to be considered nonresponsive.

R. **QUANTITIES:**
Contractor shall supply at bid price + shipping costs actual quantities as ordered.

S. **RENEGOTIATION OF CONTRACT:**
The Lottery reserves the right, at any time during the Contract term or any renewals of the term, to renegotiate with the Contractor a reduction in the compensation paid to the Contractor that is less than the compensation initially agreed to by the Contractor and the Lottery at the time of Contract execution. The Lottery may initiate such negotiations whenever the Lottery determines that it is in the Lottery’s best fiscal interests to do so. Notwithstanding any other provision of this Contract to the contrary, the Lottery may terminate this Contract immediately and without penalty if the Lottery is unable to renegotiate the compensation with the Contractor to an amount which the Lottery determines to be appropriate.

T. **SMALL BUSINESS, WOMAN-OWNED, AND MINORITY-OWNED (SWAM) BUSINESS SUBCONTRACTING AND EVIDENCE OF COMPLIANCE:**
It is the goal of the Lottery that 50% of purchases are made from SWAM businesses. This includes discretionary spending in prime Contracts and subcontracts. Unless the Bidder is registered as a SBSD-certified SWAM business and where it is practicable for any portion of the awarded Contract to be subcontracted to other suppliers, the Contractor is encouraged to offer such subcontracting opportunities to SBSD-certified SWAM businesses. No Bidder or subcontractor shall be considered a SWAM Business unless certified as such by the Department of Small Business and Supplier Diversity (SBSD) by the due date for receipt of bids. If SWAM business subcontractors are used, the prime Contractor agrees to report the use of SWAM business subcontractors by providing the purchasing office at a minimum the following information: name of SWAM business with the SBSD certification number, phone number, total dollar amount subcontracted, category type (small, women-owned, or minority-owned), and type of product/service provided.

The Contractor shall, however, remain fully liable and responsible for the work to be done by its subcontractor(s) and shall assure compliance with all requirements of the Contract.

V. **WARRANTY (COMMERCIAL):**
The Contractor agrees that the goods or services furnished under any award resulting from this solicitation shall be covered by the most favorable commercial warranties the Contractor gives any customer for such goods or services and that the rights and remedies provided therein are in addition to and do not limit those available to the Commonwealth by any other clause of this solicitation. A copy of this warranty should be furnished with the bid.

IV. **GENERAL TERMS AND CONDITIONS:**

A. **ANTI-DISCRIMINATION:**
By submitting their bid, Bidders certify to the Commonwealth that they will conform to the provisions of the Federal Civil Rights Act of 1964, as amended, as well as the Virginia Fair Employment Contracting Act of 1975, as amended, where applicable, the Virginians with Disabilities Act, the Americans with Disabilities Act. If the award is made to a faith-based organization, the organization shall not discriminate against any recipient of goods, services, or disbursements made pursuant to the Contract on the basis of the recipient’s religion, religious belief, refusal to participate in a religious practice, or on the basis of race, age, color, gender or national origin and shall be subject to the same rules as other organizations that contract with public bodies to account for the use of the funds provided; however, if the faith-based organization segregates public funds into separate accounts, only the accounts and programs funded with public funds shall be subject to audit by the Virginia Lottery.

In every Contract over $10,000 the provisions in 1. and 2. below apply:

During the performance of this Contract, the Contractor agrees as follows:

1. The Contractor will not discriminate against any employee or applicant for employment because of race, religion, color, sex, national origin, age, disability, or any other basis prohibited by
state law relating to discrimination in employment, except where there is a bona fide occupational qualification reasonably necessary to the normal operation of the Contractor. The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this nondiscrimination clause.

2. The Contractor, in all solicitations or advertisements for employees placed by or on behalf of the Contractor, will state that such Contractor is an equal opportunity employer.

3. Notices, advertisements and solicitations placed in accordance with federal law, rule or regulation shall be deemed sufficient for the purpose of meeting these requirements.

The Contractor will include the provisions of 1. above in every subcontract or purchase order over $10,000, so that the provisions will be binding upon each subcontractor or vendor.

B. **ADDENDA:**
Any changes or supplemental instructions to this Request for Quote shall be in the form of written addenda. Each Bidder is responsible for determining that all addenda issued have been received and shall acknowledge receipt of all addenda in the space provided within the Pricing Schedule or by returning a copy of each signed addendum. Failure to do so may result in rejection of the bid. All addenda so issued shall become part of the RFQ and any resulting Contract documents.

C. **ANNOUNCEMENT OF AWARD:**
Upon the award or the announcement of the decision to award a Contract over $50,000, as a result of this solicitation, Lottery will publicly post such notice on the DGS/DPS eVA web site (www.eva.virginia.gov).

D. **ANTITRUST:**
By entering into a Contract, the Contractor conveys, sells, assigns, and transfers to the Commonwealth of Virginia all rights, title and interest in and to all causes of action it may now have or hereafter acquire under the antitrust laws of the United States and the Commonwealth of Virginia, relating to the particular goods or services purchased or acquired by the Commonwealth of Virginia under said Contract.

Unless stated otherwise in the solicitation, Bidders shall state bid/offer prices in US dollars.

I. **CHANGES TO THE CONTRACT:**
Changes can be made to the Contract in any of the following ways:

1. The parties may agree in writing to modify the scope of the Contract. An increase or decrease in the price of the Contract resulting from such modification shall be agreed to by the parties as a part of their written agreement to modify the scope of the Contract.

2. The Lottery may order changes within the general scope of the Contract at any time by written notice to the Contractor. Changes within the scope of the Contract include, but are not limited to, things such as services to be performed, the method of packing or shipment, and the place of delivery or installation. The Contractor shall comply with the notice upon receipt. The Contractor shall be compensated for any additional costs incurred as the result of such order and shall give the Lottery a credit for any savings. Said compensation shall be determined by one of the following methods:

   By mutual agreement between the parties in writing; or

   By agreeing upon a unit price or using a unit price set forth in the Contract, if the work to be done can be expressed in units, and the Contractor accounts for the number of units of work performed, subject to the Lottery’s right to audit the Contractor’s records and/or to determine the correct number of units independently; or

   By ordering the Contractor to proceed with the work and keep a record of all costs incurred and savings realized. A markup for overhead and profit may be allowed if provided by the Contract. The same markup shall be used for determining a decrease in price as the result of savings realized. The Contractor shall present the Lottery with all vouchers and records of expenses incurred and savings realized. The Lottery shall have the right to audit the records of the Contractor as it deems necessary to determine costs or savings. Any claim for an adjustment in
price under this provision must be asserted by written notice to the
Lottery within thirty (30) days from the date of receipt of the written
order from the Lottery. If the parties fail to agree on an amount of
adjustment, the question of an increase or decrease in the Contract price
or time for performance shall be resolved in accordance with the
procedures for resolving disputes provided by the Disputes Clause of
this Contract or, if there is none, in accordance with the disputes
provisions of the Lottery’s Purchasing Manual. Neither the existence of a
claim nor a dispute resolution process, litigation or any other provision
of this Contract shall excuse the Contractor from promptly complying
with the changes ordered by the Lottery or with the performance of the
Contract generally.

J. **CLARIFICATION OF TERMS:**
If any prospective Bidder has questions about the specifications or other
solicitation documents, the prospective Bidder should contact the buyer
whose name appears on the face of the solicitation no later than five
working days before the due date. Any revisions to the solicitation will

1. To Prime Contractor:
   a) Invoices for items ordered, delivered and accepted shall be submitted by the Contractor directly to the payment address shown on the purchase order/Contract. All invoices shall show the Lottery Contract number and/or purchase order number; social security number (for
individual contractors) or the federal employer identification number (for proprietorships, partnerships, and corporations).

b) Any payment terms requiring payment in less than 30 days will be regarded as requiring payment 30 days after invoice or delivery, whichever occurs last. This shall not affect offers of discounts for payment in less than 30 days, however.

c) All goods or services provided under this Contract or purchase order, that are to be paid for with public funds, shall be billed by the Contractor at the Contract price, regardless of which public agency is being billed.

d) The following shall be deemed to be the date of payment: the date of postmark in all cases where payment is made by mail, or the date of offset when offset proceedings have been instituted as authorized under the Virginia Debt Collection Act.

e) Unreasonable Charges. Under certain emergency procurements and for most time and material purchases, final job costs cannot be accurately determined at the time orders are placed. In such cases, contractors should be put on notice that final payment in full is contingent on a determination of reasonableness with respect to all invoiced charges. Charges which appear to be unreasonable will be researched and challenged, and that portion of the invoice held in abeyance until a settlement can be reached. Upon determining that invoiced charges are not reasonable, the Lottery shall promptly notify the Contractor, in writing, as to those charges which it considers unreasonable and the basis for the determination. A Contractor may not institute legal action unless a settlement cannot be reached within 30 days of notification. The provisions of this section do not relieve the Lottery of its prompt payment obligations with respect to those charges which are not in dispute.

2. To Subcontractors:

a) A Contractor awarded a Contract under this solicitation is hereby obligated:

   i. To pay the subcontractor(s) within seven (7) days of the Contractor's receipt of payment from the Lottery for the proportionate share of the payment received for work performed by the subcontractor(s) under the Contract; or
ii. To notify the Lottery and the subcontractor(s), in writing, of the Contractor’s intention to withhold payment and the reason.

b) The Contractor is obligated to pay the subcontractor(s) interest at the rate of one percent per month (unless otherwise provided under the terms of the Contract) on all amounts owed by the Contractor that remain unpaid seven (7) days following receipt of payment from the Lottery, except for amounts withheld as stated in (2) above. The date of mailing of any payment by U. S. Mail is deemed to be payment to the addressee. These provisions apply to each sub-tier Contractor performing under the primary Contract. A Contractor’s obligation to pay an interest charge to a subcontractor may not be construed to be an obligation of the Lottery.

3. The Lottery encourages contractors and subcontractors to accept electronic and credit card payments.

T. PERSONNEL SECURITY CLEARANCES:
Section 58.1-4008 of the Code of Virginia (Virginia Lottery Law) requires that all Board members, officers and employees of any vendor of lottery online or instant ticket goods or services working directly on a Contract with the Virginia Lottery for such goods or services shall be subject to a criminal background search to be conducted by the chief security officer of the Virginia Lottery. Additionally, Lottery Regulation 5-20-410 extends this to include any parent or Subsidiary Corporation of the vendor, and any shareholder of 5% or more of the vendor, its parent or Subsidiary Corporation.
