IV. **SPECIAL TERMS AND CONDITIONS:**

A. **AUDIT:**

The Bidder shall retain all books, records, and other documents relative to this contract for five (5) years after final payment, or until audited by the Commonwealth of Virginia, whichever is sooner. The Lottery, its authorized agents, and/or state auditors shall have full access to and the right to examine any of said materials during said period.

B. **AWARD:**

The Virginia Lottery will make the award on a Grand Total basis to the lowest responsive and responsible Bidder. The Purchasing Office

reserves the right to conduct any test it may deem advisable and to make all evaluations. The Virginia Lottery also reserves the right to reject any or all bids, in whole or in part, to waive informalities and to delete items prior to making the award, whenever it is deemed, in the sole opinion of the Virginia Lottery, to be in its best interest.

C. **BID ACCEPTANCE PERIOD:**

Any bid in response to this solicitation shall be valid for 180 days. At the end of the 180 days the bid may be withdrawn at the written request of the Bidder. If the bid is not withdrawn at that time it remains in effect until an award is made or the program is canceled.

D. **BID PRICES:**

Bid shall be in the form of a firm unit price for each item during the contract period.

E. **CANCELLATION OF CONTRACT:**

The Lottery reserves the right to cancel and terminate any resulting contract, in part or in whole, without penalty, upon 60 days written notice to the Contractor. In the event the initial contract period is for more than 12 months, the resulting contract may be terminated by either party, without penalty, after the initial 12 months of the contract period upon 60 days written notice to the other party. Any contract cancellation notice shall not relieve the Contractor of the obligation to deliver and/or perform on all outstanding orders issued prior to the effective date of cancellation.

F. **DISCOUNTS, PROMPT PAYMENT:**

Discounts for prompt payment will not be calculated in determining net low bid. Discounts for prompt payment will be shown on the purchase order/contract and taken if invoices are processed and payment made within the stipulated time frame. If discounts are not offered, payment shall be made thirty (30) days after receipt of an accurate invoice by the Virginia Lottery's Accounts Payable Department. I. **IDENTIFICATION AND DELIVERY OF BID:**

The cover page of this solicitation will indicate whether bids will be accepted as sealed or unsealed. If this solicitation indicates “sealed” bids will be received for this procurement, all bids received must be enclosed in an envelope or package and identified as follows:

Name of Bidder  
Due Date and Time  
Bidder’s complete address  
IFB No.  
IFB Title

**IF BID IS MAILED:** Bidder must mail bid to the Virginia Lottery, Attention: Matt Sullivan 22nd Floor Purchasing Office, 600 East Main Street, Richmond, Virginia 23219.

If a bid is not identified as outlined above the Bidder takes the risk that the bid may be inadvertently opened and the information compromised, which may cause the bid to be disqualified. No other correspondence or other bids should be placed in the envelope.

**IF BID IS HAND DELIVERED (INCLUDING COURIER):** Bid must be delivered to 600 East Main Street, Richmond, Virginia 23219. Due to increased building security, **Bid will not be accepted unless delivered to the Security Guard Station located on the Main Street entrance** of the Lottery Headquarters, Pocahontas Build (address above). **However, the Security Guard is not responsible for identifying the date and time a bid is received; only a Virginia Lottery employee can make that determination.** The Security Guard will contact an appropriate Lottery employee for bid receipt; this process could take 30 minutes or more – Bidders should not wait to submit bids at the last minute.

Late bids will not be accepted.

Note: the Lottery does not conduct public openings.

J. **NEGOTIATION WITH THE LOWEST BIDDER:**

Unless all bids are cancelled or rejected, the Lottery reserves the right to negotiate with the lowest responsive, responsible Bidder to obtain a contract price within the funds available to the Lottery whenever such low bid exceeds the Lottery’s available funds. For the purpose of determining when such negotiations may take place, the term “available funds” shall mean those funds which were budgeted by the Lottery for this contract prior to the issuance of the written Invitation for Bids. Negotiations with the low Bidder may include both modifications of the bid price and the Scope of Work/Specifications to be performed. The Lottery shall initiate such negotiations by written notice to the lowest responsive, responsible Bidder that its bid exceeds the available funds and that the Lottery wishes to negotiate a lower contract price. The times, places, and manner of negotiating shall be agreed to by the Lottery and the lowest responsive, responsible Bidder.

K. **NEW EQUIPMENT:**  
Unless otherwise expressly stated in this solicitation, any equipment furnished under the contract shall be new, unused equipment.

L. **PERFORMANCE, CONTRACTOR:**  
Contractors providing goods and services to the Lottery are required to perform in accordance with the terms and conditions of their contract. When contractual requirements are not met, the following actions may be taken (at the Lottery's option):

1. **Contractor Complaint Form:**  
If a Contractor fails to perform in accordance with the terms and conditions of the contract, the Lottery will prepare a Contractor Complaint Form and forward to the Purchasing Office. This form will be sent to the Contractor for a corrective action plan.

2. **Default:**  
If the Contractor is non-responsive to the complaint form or does not satisfy the corrective action plan submitted in the complaint form or provides an unsatisfactory corrective plan, as determined by the Lottery, the Contractor may, at the Lottery's discretion, be placed in default and notified via Contractor Complaint Form.

3. **Ineligible for Award:**  
Once placed in default, the Contractor will be ineligible to do business with the Lottery for purchases exceeding \$5,000 for a period of **three 3 years**.

4. **Re-procurement of Goods and Services:**  
In addition to a Contractor's ineligibility for award of programs over \$5,000, the Lottery may procure the goods and/or services from other sources and hold the Contractor responsible for the price difference of the original contract amount and the amount of the new contract. The Lottery will follow competitive principles as outlined herein for the re-procurement.

The vendor will remain in default until the re-procurement costs have been paid to the Lottery. The vendor is still subject to the three (3) year ineligibility based on the default regardless as to when the re-procurement cost is paid.

5. **Number of Complaints:**  
a) For Term Contracts: if the Contractor has received three (3) or more complaints within the initial contract period as documented by Contractor Complaint Forms, the Contractor may, at the Lottery's discretion, be ineligible to submit a bid/proposal if the goods/services are re-

solicited at expiration of contract. Ineligibility shall apply even though a satisfactory resolution to all complaints occurred.

- b) For a Renewal Period: if the Contractor has received three (3) or more complaints within a renewal period as documented by Contractor Complaint Forms, the Contractor may, at the Lottery's discretion, be ineligible to submit a bid/proposal if the goods/services are re-solicited at expiration of contract. Ineligibility shall apply even though a satisfactory resolution to all complaints occurred.
- c) For Spot Purchases: if the Contractor has received three (3) or more complaints within a period of one (1) year as documented by Contractor Complaint Forms, the Contractor may, at the Lottery's discretion, be ineligible to do business with the Lottery for purchases exceeding \$5,000 for a period of one (1) year after the issuance of the third Contractor Complaint Form. Ineligibility shall apply even though a satisfactory resolution to all complaints occurred.

M. **PRE-AWARD CONFERENCE:**

The Lottery will have the option to request a conference call, prior to award, with the apparent low Bidder to ensure the Bidder clearly understands all requirements of the solicitation. The Bidder shall include in the conference call the individual(s) who will be fulfilling the Contractual requirements.

N. **PRICE ESCALATION/DE-ESCALATION:**

Price adjustments may be permitted for changes in the Contractor's cost of materials not to exceed the increase in the following index/indices: WPU072901, Rubber and Plastic Products group, Other Plastic Products item category of the PPI-C section of the Producer Price Index and CUUR0000SEEC, Postage and Delivery Services item category of the CPI-U section of the Consumer Price Index of the Bureau of Labor Statistics. No price increases will be authorized for 180 calendar days after the effective date of the contract. Price escalation may be permitted only at the end of this period and each 90 days thereafter and only where verified to the satisfaction of the purchasing office. However, "across the board" price decreases are subject to implementation at any time and shall be immediately conveyed to the Lottery.

Contractor shall give not less than 30 days advance notice of any price increase to the purchasing office. Any approved price changes will be effective only at the beginning of the calendar month following the end of the full 30 day notification period. The Contractor shall document the amount and proposed effective date of any general change in the price of

materials. Documentation shall be supplied with the Contractor's request for increase which will: (1) verify that the requested price increase is general in scope and not applicable just to the Lottery; and (2) verify the amount or percentage of increase which is being passed on to the Contractor by the Contractor's suppliers.

The purchasing office will notify the Contractor in writing of the effective date of any increase which it approves. However, the Contractor shall fill all purchase orders received prior to the effective date of the price adjustment at the old contract prices. The Contractor is further advised that decreases which affect the cost of materials are required to be communicated immediately to the purchasing office.

These series IDs only apply to the Playcenter line item of the Contract. All other terms and conditions previously specified in the original Contract as amended and modified shall remain unchanged.

**O. PRIME CONTRACTOR RESPONSIBILITIES:**

The Contractor shall be responsible for completely supervising and directing the work under this contract and all subcontractors that he may utilize, using his best skill and attention. Subcontractors who perform work under this contract shall be responsible to the prime Contractor. The Contractor agrees that he is as fully responsible for the acts and omissions of his subcontractors and of persons employed by them as he is for the acts and omissions of his own employees.

**P. QUANTITIES:**

Quantities set forth in this solicitation are estimates only, and the Contractor shall supply at bid prices actual quantities as ordered, regardless of whether such total quantities are more or less than those shown.

The Lottery may initiate such negotiations whenever the Lottery determines that it is in the Lottery's best fiscal interests to do so. Notwithstanding any other provision of this Contract to the contrary, the Lottery may terminate this Contract immediately and without penalty if the Lottery is unable to renegotiate the compensation with the Contractor to an amount which the Lottery determines to be appropriate.

S. **SMALL BUSINESS, WOMAN-OWNED, AND MINORITY-OWNED (SWAM) BUSINESS SUBCONTRACTING AND EVIDENCE OF COMPLIANCE:**

No Bidder or subcontractor shall be considered a SWAM Business unless certified as such by the Department of Minority Business Enterprise (DMBE) by the due date for receipt of bids. Failure to submit a bid on this official Invitation for Bids document shall be a cause for rejection of the bid. Modification of or additions to any portion of the Invitation for Bids may be cause for rejection of the bid; however, the Lottery reserves the right to decide, on a case by case basis, in its sole discretion, whether to reject such a bid as nonresponsive. As a precondition to its acceptance, the Lottery may, in its sole discretion, request that the Bidder withdraw or modify nonresponsive portions of a bid which do not affect quality, quantity, price, or delivery. No

modification of or addition to the provisions of the contract shall be effective unless reduced to writing and signed by the parties.

S. **NONDISCRIMINATION OF CONTRACTOR:**

A Bidder or Contractor shall not be discriminated against in the solicitation or award of this contract because of race, religion, color, sex, national origin, age, disability, faith-based organizational status, any other basis prohibited by state law relating to discrimination in employment or because the Bidder employs ex-offenders unless the Lottery, department or institution has made a written determination that employing ex-offenders on the specific contract is not in its best interest. If the award of this contract is made to a faith-based organization and an individual, who applies for or receives goods, services, or disbursements provided pursuant to this contract objects to the religious character of the faith-based organization from which the individual receives or would receive the goods, services, or disbursements, the public body shall offer the individual, within a reasonable period of time after the date of his objection, access to equivalent goods, services, or disbursements from an alternative provider.

All invoices shall show the Lottery contract number and/or purchase order number; social security number (for individual contractors) or the federal employer identification number (for proprietorships, partnerships, and corporations).
- b) Any payment terms requiring payment in less than 30 days will be regarded as requiring payment 30 days after invoice or delivery, whichever occurs last. This shall not affect offers of discounts for payment in less than 30 days, however.
- c) All goods or services provided under this contract or purchase order, that are to be paid for with public funds, shall be billed by the Contractor at the contract price, regardless of which public agency is being billed.
- d) The following shall be deemed to be the date of payment: the date of postmark in all cases where payment is made by mail, or the date of offset when offset proceedings have been instituted as authorized under the Virginia Debt

Collection Act.

- e) Unreasonable Charges. Under certain emergency procurements and for most time and material purchases, final job costs cannot be accurately determined at the time orders are placed. In such cases, contractors should be put on notice that final payment in full is contingent on a determination of reasonableness with respect to all invoiced charges. Charges which appear to be unreasonable will be researched and challenged, and that portion of the invoice held in abeyance until a settlement can be reached. Upon determining that invoiced charges are not reasonable, the Lottery shall promptly notify the Contractor, in writing, as to those charges which it considers unreasonable and the basis for the determination. A Contractor may not institute legal action unless a settlement cannot be reached within 30 days of notification. The provisions of this section do not relieve the Lottery of its prompt payment obligations with respect to those charges which are not in dispute.

2. To Subcontractors:

- a) A Contractor awarded a contract under this solicitation is hereby obligated:
  - i. To pay the subcontractor(s) within seven (7) days of the Contractor's receipt of payment from the Lottery for the proportionate share of the payment received for work performed by the subcontractor(s) under the contract; or

The date of mailing of any payment by U. S. Mail is deemed to be payment to the addressee. These provisions apply to each sub-tier Contractor performing under the primary contract. A Contractor's obligation to pay an interest charge to a subcontractor may not be construed to be an obligation of the Lottery.

3. The Lottery encourages contractors and subcontractors to accept

electronic and credit card payments.
