CARLINE SALES

Carline Sales was on her way to work when she stopped at Express Lane at 17867 Forest Road in Forest. While she was there, she picked up a Print ‘n Play Rolling Jackpot ticket from the Virginia Lottery.

Right away, the Madison Heights woman saw there was something unusual about her ticket. It turned out that she had just won a $94,267 jackpot.

“I couldn’t believe it!” she later told Lottery officials. “I never thought it would happen to me!”

Print ‘n Play Rolling Jackpot is a Virginia-only game that has a starting jackpot of $50,000. The jackpot increases with each ticket sold until the jackpot is won. The game has three price points: $2, $5 and $10. The $2 ticket can win 20% of the jackpot, the $5 ticket can win 50% of the jackpot, and the $10 ticket can win 100% of the jackpot. The odds of winning the top prize are 1 in 240,000.

Ms. Sales said she hopes to use her winnings to pay bills and do some home repairs.
NOW THAT'S A NICE UPGRADE.

Jackpot starts at $100,000. Add EZ Match for a chance to win up to $500 instantly.
It's a Virginia-only jackpot game, and the jackpot starts at $100,000 and grows. EZ Match is an add-on feature that could win you up to $500 without waiting for the daily drawing!

HOW CASH 5 WORKS

In the daily drawing, if you match 5 numbers, you win the jackpot*. If you match 4 numbers, you win $200. If you match 3 numbers, you win $5. If you match 2 numbers, you win $1.

• Each play costs $1. Each playslip offers up to 6 plays.
• Select 5 numbers per play (1-41), or mark the Easy Pick (EP) box to allow the computer to pick your numbers for you.
• For each play, you can select EZ Match for a chance to win instantly.

Match any of your EZ Match numbers to any of your chosen Cash 5 numbers, and instantly win the prize shown. EZ Match costs an extra $1 per play.

HOW EZ MATCH WORKS

If you select EZ Match, you will receive 5 randomly generated numbers with associated prize values at the bottom of your ticket.
You must match the EZ Match numbers to your chosen Cash 5 numbers in the corresponding play to win the prizes shown.

• EZ Match costs an extra $1 per play.
• The top prize for EZ Match is $500.

If you win a prize via EZ Match, you can cash your prize immediately. You’ll receive another ticket with your Cash 5 numbers for the daily drawing.
If you don’t win via EZ Match, just keep your ticket for the daily drawing.
The Cash 5 with EZ Match drawing takes place 7 days a week at 11 p.m. EST. You can watch the drawing every night at valottery.com.
