Ticket Sales

3.1 The sale of Official DECADES OF DOLLARS Tickets may be conducted only by such locations as each Director shall contract with and/or license pursuant to the governing laws, policies, regulations and rules of the respective Party Lottery and these DECADES OF DOLLARS Rules.

3.2 Where permitted by the governing laws, policies, regulations or rules of a Party Lottery, the Director of the Party Lottery may authorize Purchasers to make Subscription purchases of Official DECADES OF DOLLARS Tickets. Subscriptions will be subject to the policies, procedures, regulations and rules established by the Party Lottery selling the Subscription, subject to the following parameters and restrictions:

3.3 In the event the Directors authorize a change in the matrix or frequency of drawings for DECADES OF DOLLARS, Subscription Purchasers may be granted the option, by the respective Party Lottery that issued the Subscription, to retain or change the Purchaser's previously selected numbers on the balance of their Subscription, effective as of the date of the change. The Purchasers, however, will not be granted a refund for the balance of plays on their Subscription purchases unless the DECADES OF DOLLARS game is terminated.

3.4 Game play information for a Subscription may be edited by a Party Lottery only when an error in the numbers entered has been identified, a change in the frequency of drawings occurs, or a change in the game matrix occurs. A Subscription may be edited to correct an error in the numbers entered before the time of the first drawing for which the Subscription is effective. For a change in the game matrix, or for errors in the numbers entered that are identified AFTER the first drawing under the Subscription, the Party Lottery may correct the Subscription game play(s) prospectively for the remaining number of draws on the Subscription. The only other circumstance under which a Subscription game play may be edited is to correct the Subscription end date if the Directors authorize a change in the frequency of DECADES OF DOLLARS drawings.

SECTION 4
